

Measuring for a Rug

- Obtain a soft measuring tape.
- Measure **from the center of the chest** along the side of the barrel and belly **to the point just before the tail**. This measurement will be the size for your blanket.
- OR Measure **from the Withers** at the top to the **top of the tail**
- Match this measurement to the recommended size chart. If your horse is exceptionally broad, it might require the next size up.

Rug Sizing

UK/AUS	EURO	USA	NZ
4'0	75cm-120cm	48"	2'9
4'3	85cm-130cm	51"	3'0
